BHARATIYA ENGINEERING SCIENCE AND TECHNOLOGY INNOVATION UNIVERSITY (BESTIU)

(Established Under Act No.3 of 2016 of Govt of Andhra Pradesh & Recognized under sections 2(f) & 22 of UGC Act, 1956)

India's 1st Innovation University

PART TIME Ph.D. PROGRAM

Welcome To

Bharatiya Engineering, Science and Technology Innovation University(BESTIU)

A state private university established under Act No. 3 of 2016 of the Government of Andhra Pradesh and recognized under Sections 2(f) & 22 of the UGC Act, 1956, and a Member of the Association of Indian Universities (AIU).

Bharatiya Engineering Science & Technology Innovation University (BESTIU) campus is presently located at Mandrol Lakeside Campus, Gownivarpalli, Anantapur. It is just about a 1.45-hour drive from Bengaluru International Airport. The university is spread across a sprawling 147 acres with state-of-the-art, eco-friendly infrastructure. The campus includes well-planned administration blocks, academic blocks, a library building, staff quarters, and separate hostels for girls and boys. These facilities are designed to provide a comfortable and conducive learning environment for students and faculty.

BESTIU is committed to delivering high-quality education that is both affordable and accessible to students from all strata of society. The university focuses on academic excellence while ensuring inclusivity and equal opportunities for all. With a strong emphasis on innovation, BESTIU aims to be at the forefront of education by integrating cutting-edge technologies into teaching. The university also promotes a holistic approach to learning, ensuring that students receive a well-rounded education that prepares them for the future.

Vision

To create a World Class Social Impact conglomerate where learning is accessible and affordable, innovators are groomed and their ideas are incubated.

Mission

Our Mission is to set up a model university which shall be the pride of the state and the country, a hub for highest quality academics and research work.
We want our students to compete with the best in the world so that they not only earn their dream jobs but also become job creators.
We believe in innovation and developing strategies to address today's challenges and creating champions of change.

About the Program

BESTIU offers Part-Time doctoral research program with a strong focus on promoting inter - disciplinary research and innovation leading to the Ph.D. degree.
The program aims at developing individuals into distinguished researchers and innovators in various fields under the aegis of the schools of the university.
The Part time Ph.D. program spans 4 years with maximum duration (from the date of registration) not exceeding 6 years. If the period exceeds 6 years, re-registration to be done with the permission of Doctoral Committee.

Ph.D. Degree Courses offered

School of AppliedSciences, Arts, Humanities and Social Sciences

Physics , Chemistry , Mathematics , English, Telugu, Sanskrit, Computer Science, Electronics , Education , Economics , Political Science and Library Science.

School of Engineering and Technology

AI, Data science, Cyber Security, IoT, CSE, ECE, IT, EEE, Civil, Biotechnology, Agritech,

School of Biosciences

Botany, Zoology, Microbiology , Biochemistry , Food & Nutrition , Food Science & Technology.

School of Law

School of Commerce and Management

Commerce , Management , HR , Finance, Leadership Strategic Management Business and Marketing.

Eligibility Criteria

- The eligibility required for admission to Part-time Ph.D. Program shall be Master's Degree or equivalent in relevant Discipline with minimum 55% marks in aggregate or equivalent grade.
- Minimum two years of work experience in educational institutions, industry or research labs.
- Candidates possessing M.Phil. Degree with at least 55% marks or equivalent grade and Master's degree with 50% marks in aggregate in the discipline concerned shall also be eligible for admission directly to second year

Program Structure

Research methodology and course work for 1 year followed by Pre-Ph.D. exam.

Research work under the guidance of research supervisor allotted by BESTIU.

Research review meetings once in 6 months.

Colloquium, Thesis, Viva

Admission Process

01 Registration in google form, upload certificates (UG, PG,10K Receipt)

02 Selection based on online interview

03 Semester fee payment

04 Confirmation and admission

Entrance Exam Pattern

- Entrance exam conducted for eligible candidates will comprise of 50 multiple choice questions each carrying 2 marks based on the core subject at the post graduate level.
- Candidate should secure minimum 50% in the entrance exam. Candidates who cleared GATE/NET are exempted from the exam.

Schedule of Admissions

Last Date of Receipt of Applications with Registration Fee 10,000/- **30-10-2026**

Payment of Fee*

- One time registration and processing fee of Rs. 10,000/- (Non-Refundable)
- Annual Fee 80,000/- (Can be paid semester wise 40,000/-)
- Registration Link: https://forms.gle/usbbqFZ2LGAqhBbg6

The University reserves the right to decide the number of seats to be filled in. The University also reserves the right to change the rules and regulations at any time.
